

## Ambassadors for Christ of Texas Membership Application

Thank you for your interest in becoming a member of Ambassadors for Christ of Texas. ACT's goal is to benefit the members of our communities, prayerfully and confidently asking for God's assistance in their individual lives, eventually working together to make lasting, positive change. We recognize that people in our communities are endowed by God with talents and resources, and it is our hope to identify and put into action those skills and assets that each individual possesses, so that we might have the opportunity to maximize the impact of His Kingdom work.

We seek to build and promote God-honoring relationships among people, churches, businesses, and schools, ultimately to the way He intended it. Our desire is that each of us in this thriving community of born-again believers would be enthusiastically connected, edifying and encouraging each other, functioning as the true Body of Christ.

Applying for regular membership in ACT means that you align with our mission and are sincerely interested in active participation to further the purpose of this organization. Please provide us with the requested information below, which will be reviewed at the next scheduled Board of Directors meeting. If your membership is approved, your information will be added to our email distribution list. This is how we will update members regarding opportunities to serve locally, existing needs, praise reports, and future mission-related plans.

\*\*Ambassadors for Christ of Texas reserves the right to deny or revoke membership at any time for any reason.
