

Journeyman for Christ Assistance Application

ACT's goal is for the members of our community to take charge of their individual lives by working together to make lasting positive changes. We understand that sometimes circumstances arise requiring assistance with specified projects and we may commit to that as a onetime resource.

People and our community are full of resources given by God. It is our hope to identify and put into action the talents, skills and resources that each individual possesses so we have the opportunity to live life to the fullest.

We seek to build and rebuild relationships among people, churches, businesses, schools, etc... God intended for all of us in the community to be connected and complement each other.

If you are requesting assistance on a specified project, ACT meets on the first Thursday of the month February through November. Please fill out the following questionnaire and return it to either New Life Baptist Church or Yoakum First Baptist Church.
